EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://lclresources.au/site/content/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF A DIRECTOR - KEVIN WILSON

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Kevin Wilson, who has held office without re-election since 31 May 2023, being eligible, retires by rotation and seeks re-election.

Further information in relation to Kevin Wilson is set out below.

Qualifications, experience and other material directorships	<p>Mr Wilson has over 30 years' experience in the minerals and finance industries. He has been an executive and director of numerous listed Australian resource companies since 2005.</p> <p>Mr Wilson has prior experience as a geologist with the Anglo American group in Africa and North America and as a stockbroking analyst and investment banker with CS First Boston and Merrill Lynch in Australia and USA.</p> <p>Mr Wilson is currently also Non-Executive Director of Solis Minerals Ltd.</p>
Term of office	<p>Mr Wilson has served as a Director since 23 March 2018 and was last re-elected on 31 May 2023.</p>
Independence	<p>If re-elected, the Board considers that Mr Wilson will be an independent Director.</p>
Board recommendation	<p>Having received an acknowledgement from Mr Wilson that he will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Mr Wilson since their appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Wilson) recommend that Shareholders vote in favour of this Resolution.</p>

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Wilson will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Mr Wilson will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). As of the date of this Notice, the Company's market capitalisation is less than \$300,000,000. The Company is therefore an Eligible Entity.

4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	<p>The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:</p> <ul style="list-style-type: none"> (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

Risk of economic and voting dilution	<p>Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.</p> <p>If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.</p> <p>The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price</p>

The issue price set out above is the closing market price of the Shares on the ASX on 14 April 2026 (being \$0.007) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. <p>Shareholders should note that there is a risk that:</p> <ol style="list-style-type: none"> the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

5. RESOLUTIONS 4 TO 6 – APPROVAL TO ISSUE PERFORMANCE RIGHTS TO RELATED PARTIES

5.1 General

These Resolutions seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11 for the issue of an aggregate of 24,000,000 Performance Rights to the Directors of the Company, Christopher van Wijk, Kevin Wilson and Christopher Knee (or their nominee(s)) (together, the **Related Parties**) on the terms and conditions set out below.

Further details in respect of the Securities proposed to be issued are set out in the table below.

	Christopher Knee	4,000,000	Upon the Company achieving a 20-day VWAP of not less than \$0.02.	1 June 2029	6

5.2 Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Securities should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

5.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

As Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

5.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;

- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

5.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue. Consequently, the Company may need to consider alternative remuneration or incentive arrangements for the Directors, although no alternative arrangements have presently been determined.

5.6 Technical Information required by Listing Rule 10.13 and Section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Securities will be issued	The Performance Rights will be issued to the Related Parties (or their nominee(s)), as set out in Section 5.1 above.
Categorisation under Listing Rule 10.11	Each of the proposed recipients falls within the category set out in Listing Rule 10.11.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.11.4.
Number of Securities and class to be issued	The maximum number of Performance Rights to be issued (being the nature of the financial benefit proposed to be given) is 24,000,000 which will be allocated as set out in the table included at Section 5.1 above.
Terms of Securities	The Performance Rights will be issued on the terms and conditions set out in Schedule 1.
Date(s) on or by which the Securities will be issued	The Company expects to issue the Performance Rights within 5 Business Days of the Meeting. In any event, the Company will not issue any Performance Rights later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

REQUIRED INFORMATION	DETAILS
Price or other consideration the Company will receive for the Securities	The Performance Rights will be issued at a nil issue price.
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide an equity-based incentive component in the remuneration package for the proposed recipients, to align the interests of the proposed recipients with those of Shareholders and to incentivise the proposed recipients to act in a manner that seeks to enhance the value of the Company. The Performance Rights will only have intrinsic value if the Company's share price is equal to or exceeds the VWAP vesting conditions, thereby providing an incentive for the proposed recipients to increase Shareholder value. The issue also provides a cost effective way for the Company to remunerate the proposed recipients, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the proposed recipients.
Consideration of type of Security to be issued	<p>The Company has agreed to issue the Performance Rights to the Related Parties for the following reasons:</p> <ul style="list-style-type: none"> (a) the issue of the Performance Rights has no immediate dilutionary impact on Shareholders; (b) the deferred taxation benefit which is available to the proposed recipients in respect of an issue of Performance Rights is also beneficial to the Company as it means the proposed recipients are not required to immediately sell the Performance Rights to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.
Consideration of quantum of Securities to be issued	<p>In determining the number of Performance Rights proposed to be issued to the Directors, the Board considered the Company's existing capital structure and potential dilution, the scope of each Director's role and time commitment, prevailing market practice for comparable listed companies, and the need to align Directors' interests with shareholders through an equity-based incentive. The Board also considered the Company's cash position and the appropriateness of the Performance Rights' terms (including the vesting conditions and expiry). On that basis, the Board considers the proposed issue reasonable and in the best interests of the Company.</p> <p>The Company does not consider that there are any significant opportunity costs to the Company or benefits</p>

6. RESOLUTION 7 – APPROVAL TO INCREASE MAXIMUM SECURITIES UNDER THE COMPANY'S INCENTIVE PLAN

6.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) to increase the maximum number of Securities that may be issued under the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) from the present maximum of 83,636,889 Securities to a maximum of 120,000,000 Securities.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

6.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

6.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 6.4 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.</p> <p>The Company must also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.</p>
